To whom it may concern

We are always pleased to recommend the products provided by Laid Back co. The Foodbarn has been stocking their products for some time and they consistently do well. We find that they are professional and our orders are always seen to timeously.

The products themselves are of a very good quality, innovative and really appeal to our local clients as well as the tourists that visit us all the time. Laid Back co makes their bread boards etc. with our company logo on them so the products are unique to us. In addition, whenever we have a unique requirement, they are only too keen to help.

Should you require any further information, do not hesitate to contact Charlotte or Pete at our Deli on 021 7891966.

Sincerely,

Pete de Bruin

Co-Owner
